# September... Students begin New Year

STUDENTS PARK THEIR CARS in East High's spacious parking lot, which is supervised by the Boys' Club.

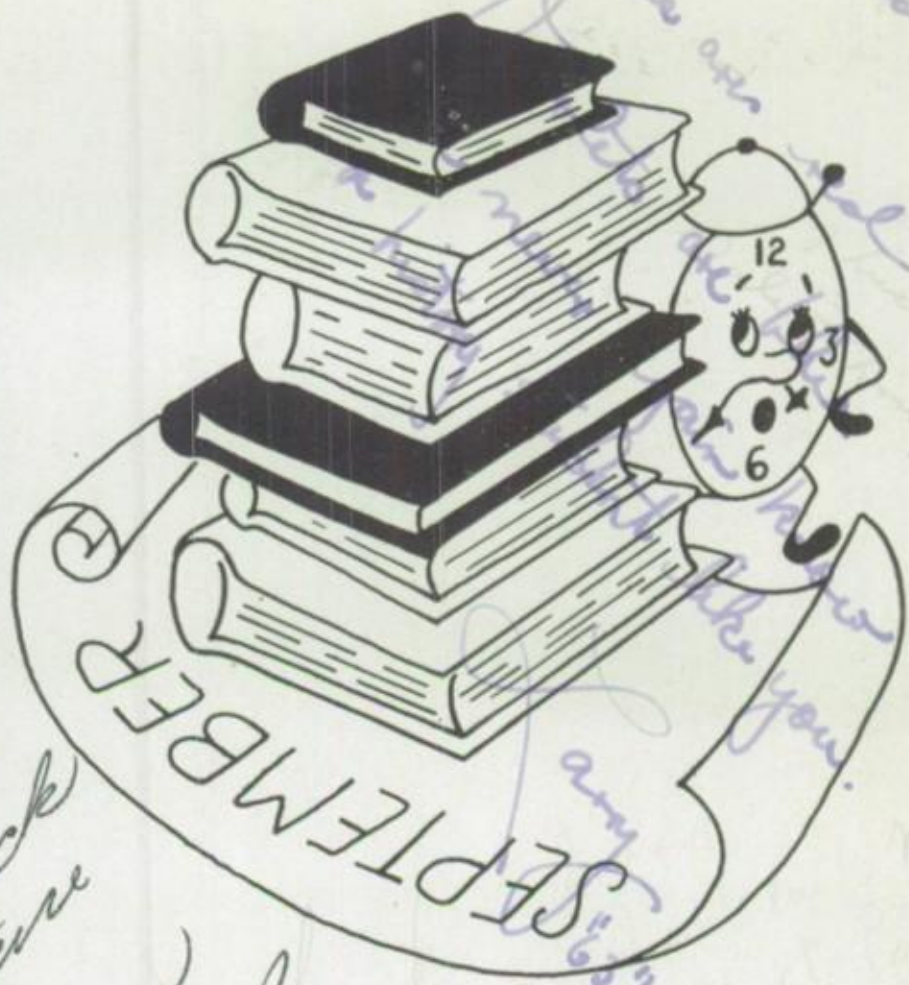

RUSHING AND SCURRYING STUDENTS go to their next hour's class.

With the opening of school on September sixth summer pleasures such as sun tanning, sleeping late, golfing, and going to the beach were replaced by looking forward to the first Auroran, nerve wracking tryouts for "The Diary of Anne Frank," fun filled journalism conventions, thrilling football games, and, most important and time consuming of all, studying. Entering into the spirit of things, Pep Club held a drive to acquire new members. Seventy transfer students added to East's student body were seen trying to find their way around East. Foreign language students started the year with new equipment as a language laboratory was added to help students speak as well as write the various languages.

VARIOUS ASSEMBLIES are held during the year to educate and entertain the students.

October brought to East High the fall play, "The Diary of Anne Frank," and homecoming. "The Diary" playing for three nights was enthusiastically accepted by the public. At this year's homecoming, "Once Upon A Time," students selected the queen, cheered at the game against Freeport, and attended the dance.

J. GERKIN, Tomcat captain, leaps through a spirit symbol.

Talent, spirit, emotion and nervous tension were factors that produced an overall success at the East-West game and the annual Variety Show. "Drifting and Dreaming" was performed before a capacity crowd. The East-West game was the result of timing and hard work. East High's alumni sat in the crowd and wondered where the time had gone.

R. SMITH, ex-Student Council President, congratulates F. White.

As January ushered in the new year, it brought many busy activities for East High School students. We saw the elected officers of Student Council inaugurated at an all school assembly, and Boys' and Girls' Club officers inaugurated in the evening. Under the leadership of its new director, the East High Band presented the students with a preview of the annual midwinter band concert. The students showed their approval by responding with loud applause.

## June rolled around--Students and faculty

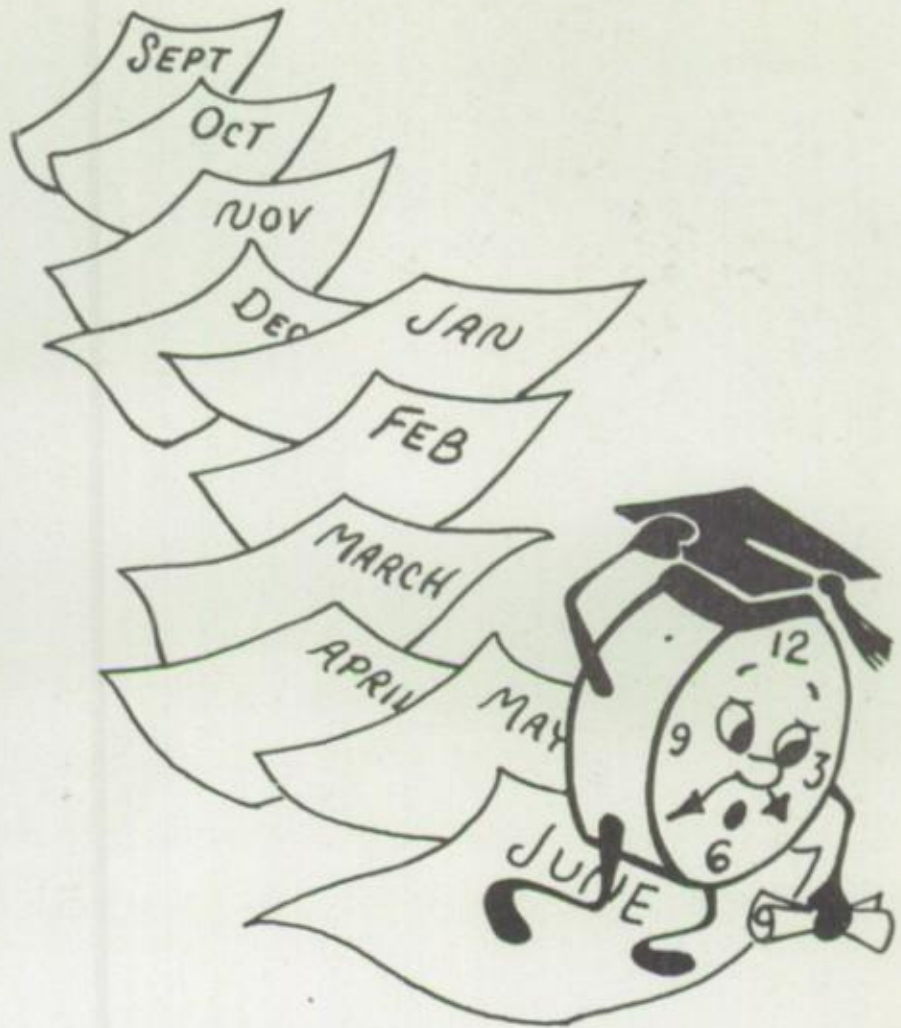

SENIORS REMINISCE about school days just before graduation.

The year was almost over and everyone thought and talked about the vacation to come. On Class Day prophecies were read and scholarships were presented. To bring the program to an end, the sophomores and the juniors stood to honor the leaving seniors. The 1962 school year ended on June 7 when 332 students graduated.

SENIORS REMINISCE about school days before graduation.

A SENIOR SLOWLY WALKS through the halls for the last time.

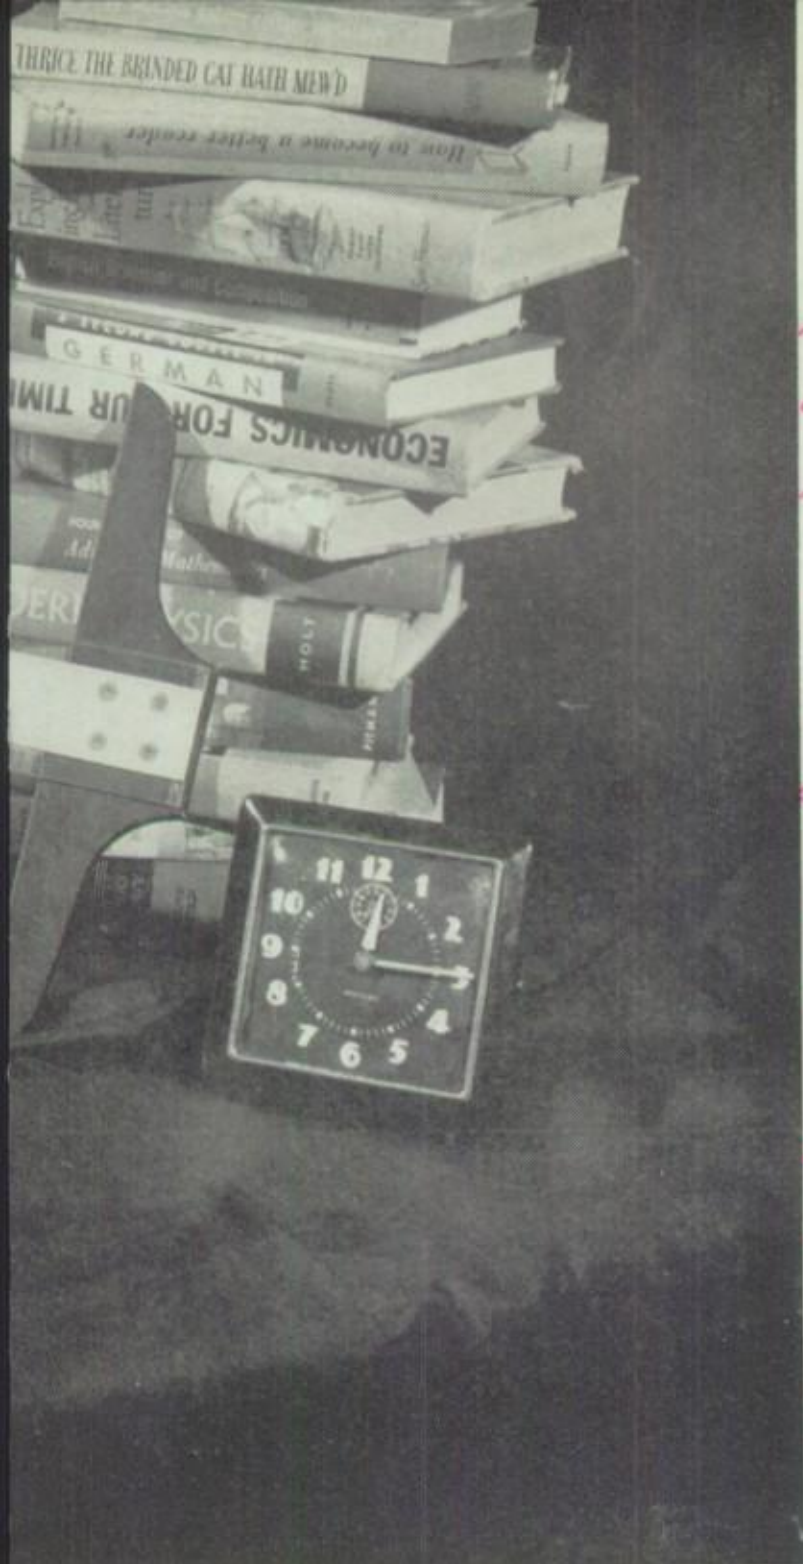

Poring over books, wading through endless math problems, plunging into the realms of foreign languages, and burning the midnight oil to get all things accomplished, East's students obtained added knowledge. Helping to further East's bookishness, new classes were added to the curriculum: clerical record keeping, general metals and

motor mechanics, blueprint reading and shop sketching, and a senior science course. During the Berlin crisis a soldier on leave from Berlin spoke to history classes, giving students a new understanding of the current problems. Yes, students gained knowledge in these ways—but, "Where did the time go?"

In order to accommodate the school personnel as well as the public the School Service Center was constructed to fit the growing needs of the district.

# work for the betterment of our schools

"High Lights" was the theme of East High's 1961-1962 PTA. In order to show appreciation for the teachers, they sponsored a dessert on Valentine's Day. Each teacher was served cherry pie in the faculty dining room. Four life memberships were awarded to outstanding members by the PTA.

the P.T.A. activities for the year. Officers of student clubs participate.

DR. FREDERICK P. ABEL GIVES COMMENTS at a school assembly.

Completing his fifth year as Principal of East, Dr. Frederick P. Abel held the responsibility of organizing the various academic departments into a smooth-running school.

As Assistant Principal, Mr. Gene Houser co-ordinated the extra-curricular activities, bought supplies, and saw to East's repairs and equipment needs.

## Administration guides East High onward

DR. FREDERICK P. ABEL, PRINCIPAL, supervises all school activities and represents East at many meetings and community functions.

MR. GENE HOUSER, assistant principal, coordinates student activities and assists Dr. Abel.

PRESENT AT A COUNSELOR'S MEETING are Mr. Woolley, Mrs. Krause, Mr. Paulson, Miss Brinkmann,

and Mr. Inman, guidance director.

## Counseling and guidance offered students

East's counseling department has continued to expand its many student services throughout the year. This year every student has had two personal conferences with a counselor in which educational problems, personal problems, and vocational plans are discussed. In addition, the department conducts and interprets various tests.

MR. W. INMAN, GUIDANCE DIRECTOR, handles the testing program and student problems.

# Teachers discuss current problems and

FACULTY MEETINGS ARE HELD in the little theater to discuss matters concerning the school.

East High's 82 faculty members participated in many school activities. Before returning to school in the fall, many teachers attended workshops or traveled. These experiences aided them in the classroom. Some teachers not only served as advisers to clubs, publications, and productions, but also found time to socialize in a teacher fun night.

# Team teaching is used in English classes

MISS C. AHRENS' SPEECH CLASS has many opportunities to practice before the class members.

Team teaching, which started as an experiment with senior rhetoric last year, continued this entire year for college bound seniors. Also, for the first time, sophomore English classes were divided into three groups according to ability. The use of audio-visual materials and mythology were incorporated into the sophomore program as enrichment units of study.

MR. BLACKMAN TEACHES the college bound seniors basic rhetoric. Students are divided into divisions for

lecture, and into smaller discussion groups for more individual instruction.

# Social Studies offers a varied curriculum

MR. JENNINGS, American history instructor, climaxes a study of the Civil War in his class.

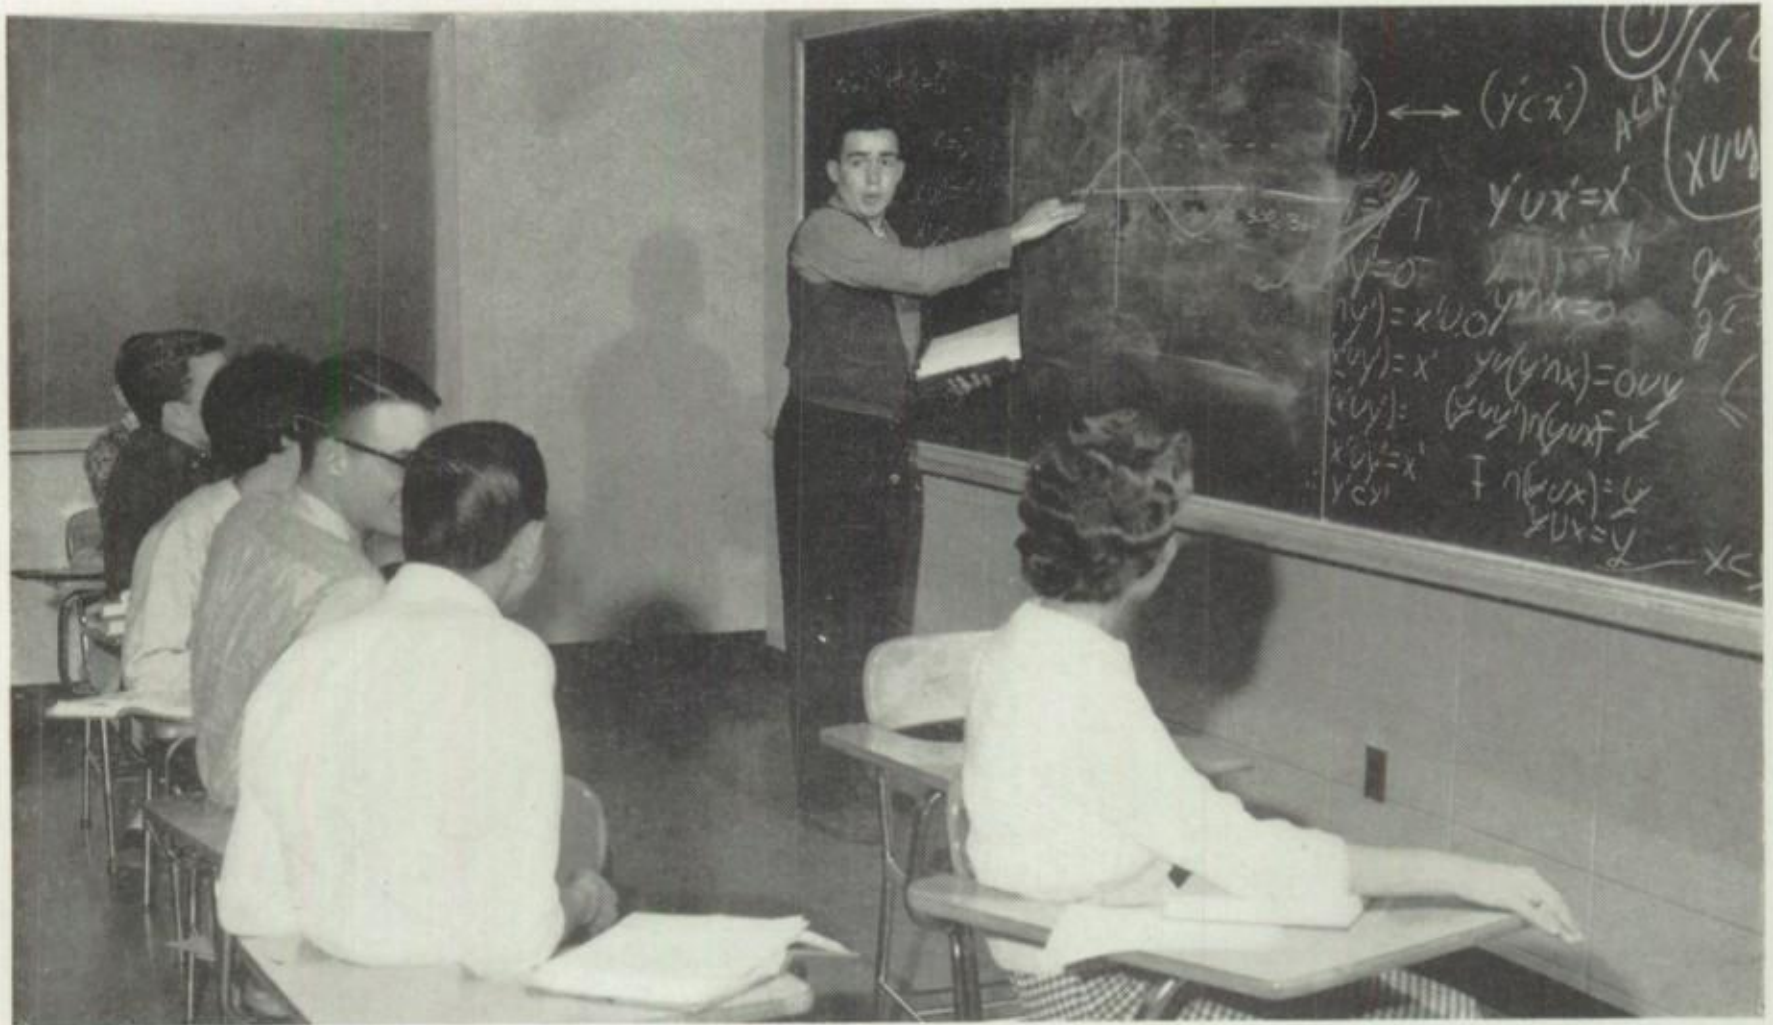

Keeping up with the general widespread movement to up-grade education, the social studies grouped the American History classes into college bound and noncollege divisions. With the new supply of paperbacks, students have an inexpensive source of materials available to use in finding research for their required term papers.

L. BISHOP AND G. GALLOWAY use a map in geography class.

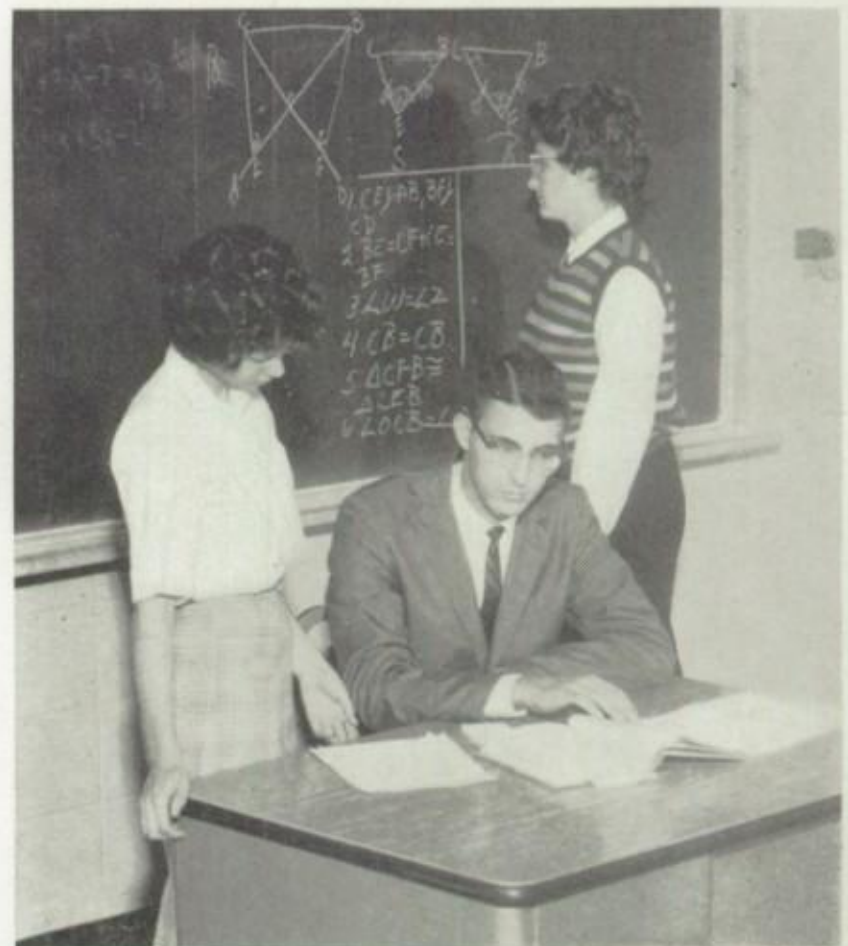

# Science classes up with changing times

B. MOYNIHAN IS GIVEN A CHANCE to show Mr. Buckler's sixth hour math class his graph of an equation.

East High's math department is designed to meet the needs of every class. The sophomores are faced with the seemingly unconquerable world of geometry. Advanced algebra and its application to the field of science is studied by the juniors and the college bound seniors work on the advanced math problems presented in senior math.

SOPHOMORES in Mr. Backe's geometry class prove theorems.

# Work in numbers is challenge to students

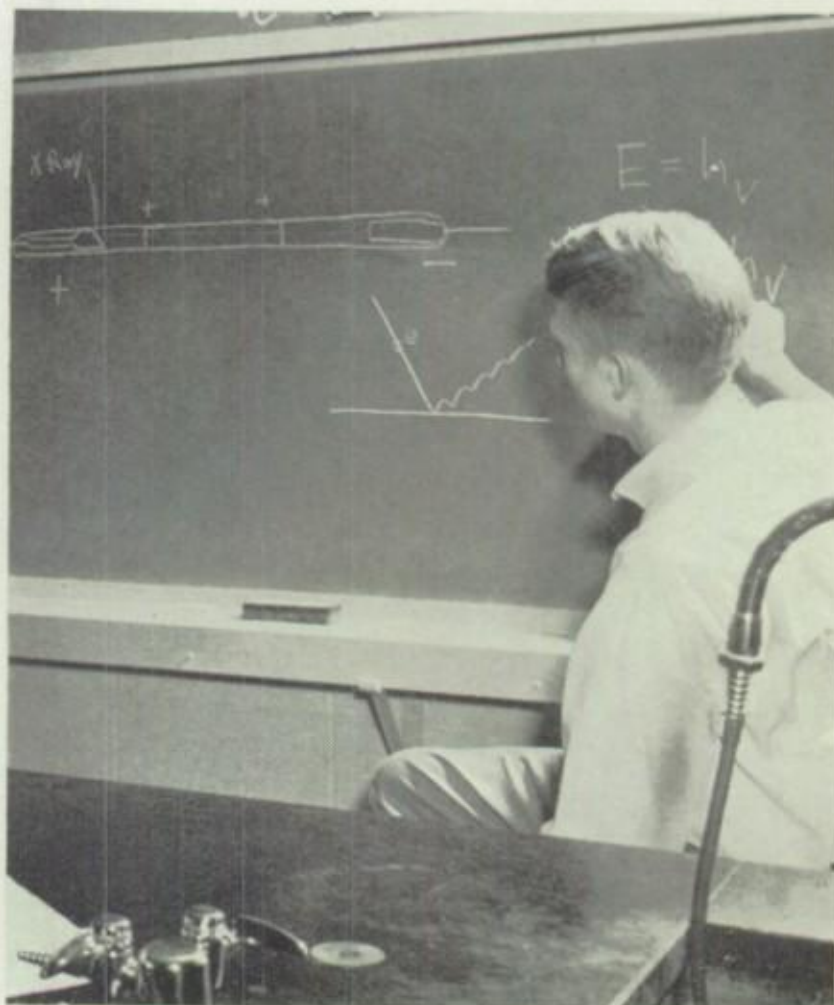

J. CHRISTENSEN, G. SENFT, G. VanPelt, and B. Porter weigh a protein sample for analysis in senior science class.

The annual Aurora Foundation Science Fair was the climax for scientific accomplishments from East High's various science departments. Sophomores determined their blood types and tried to make original insect collections. In chemistry the juniors studied the practical application of the slide rule. College bound students study senior science and physics.

PREPARATION OF SHOW cases, designing, and painting are only a few of the many things studied in art class.

## Art and photo classes provide extras

Making hall decorations and designing posters for East High has been the work of the art department under the guidance of Mr. Sewell.

The photography department under Mr. Trembacki took pictures for our I.D. cards, the SPECULUM, and the AURORAN.

East High students rushing to finish scenery for "The Diary of Anne Frank," scurrying around to concoct acts to add to the variety show, wondering who was going to be the "62" homecoming queen, trying to find time to see patrons, engaging in the process of "spirit making," organizing a new club "EAST," purchasing new cheer-leading outfits, suffering from the ef-

fects of the flu bug, listening in awe to the blast off of Lt. Col. John Glenn, joining in the fun at the annual Pep Club pot luck, dancing the new dance craze the twist, and scoring a smash hit with the production of "South Pacific." Energetic editors, after starting work on East High's Auroran during the summer months, approached September with ideas and plans for the coming 14 issues. Five editors attended the Illinois State High School Press Association. Ideas were obtained to help overcome the numerous problems in putting out the Auroran. The 15th annual Variety Show drifted into dreamland on November 17 and 18, proceeds from the show paid for the 2000 bi-weekly newspapers enabling each East High student to receive a copy of the Auroran free of charge. This privilege is one which very few high schools in the United States give to their students.

Sophomores, with high hopes and sharpened pencils, entered school in September to begin a year filled with endless hallways, affording new experiences at every turn. At the same time, juniors returned, confident, eager to make their mark upon the annals at East, enthusiastically meeting their

challenges, enjoying every moment of their activity-crammed days. The moments flew on at the same rapid rate for seniors, their attitude becoming more serious as they struggled to make each moment count, and as they viewed the year's end as their future's beginning.

Spirit reigned supreme among East students throughout this year. There was delight in the grandstands as well as on the football field when a bruising tackle was thrown on a cross-town rival. This East-West enthusiasm was contained until basketball season when the Tomcat round-ballers defeated West High twice. East's swimming team seemed to thrive on spirit as they established a winning record. Cross-

country, track, tennis, golf, wrestling, and baseball drew the undivided attention of East's sport-minded students, faculty, and administration.

Not to be left in the shadows by the participating boys, the girls displayed athletic abilities on the soccer field, basketball floor, and volleyball court in class tournaments sponsored by G.A.A. In 1961-1962, win or lose, East's Tomcat spirit was all-important.

**TOMCAT COACHES** plan with captains.

Topping our cross town rival for the first time in five years brought an end to the 1961 Football season. Playing their first year under Coach DuFrain, the varsity gridsters posted a 2 win, 6 loss, one tie record.

Proviso East proved to be the first of the Tomcat tormentors on the Pirate field. They exploded for four touchdowns and a 26-0 victory. At home for the first time, an outbreak of Tomcat fumbles gave Bloom Township a 20-0 win.

The Cats traveled to Elgin for the initial encounter in conference play, and lost 14-0. Freeport was East's Homecoming foe, and after putting down a Tomcat uprising, won 21-13.

# Varsity record 2 wins, 6 losses, and 1 tie

REGGIE HUGHES GAINS on Freeport.

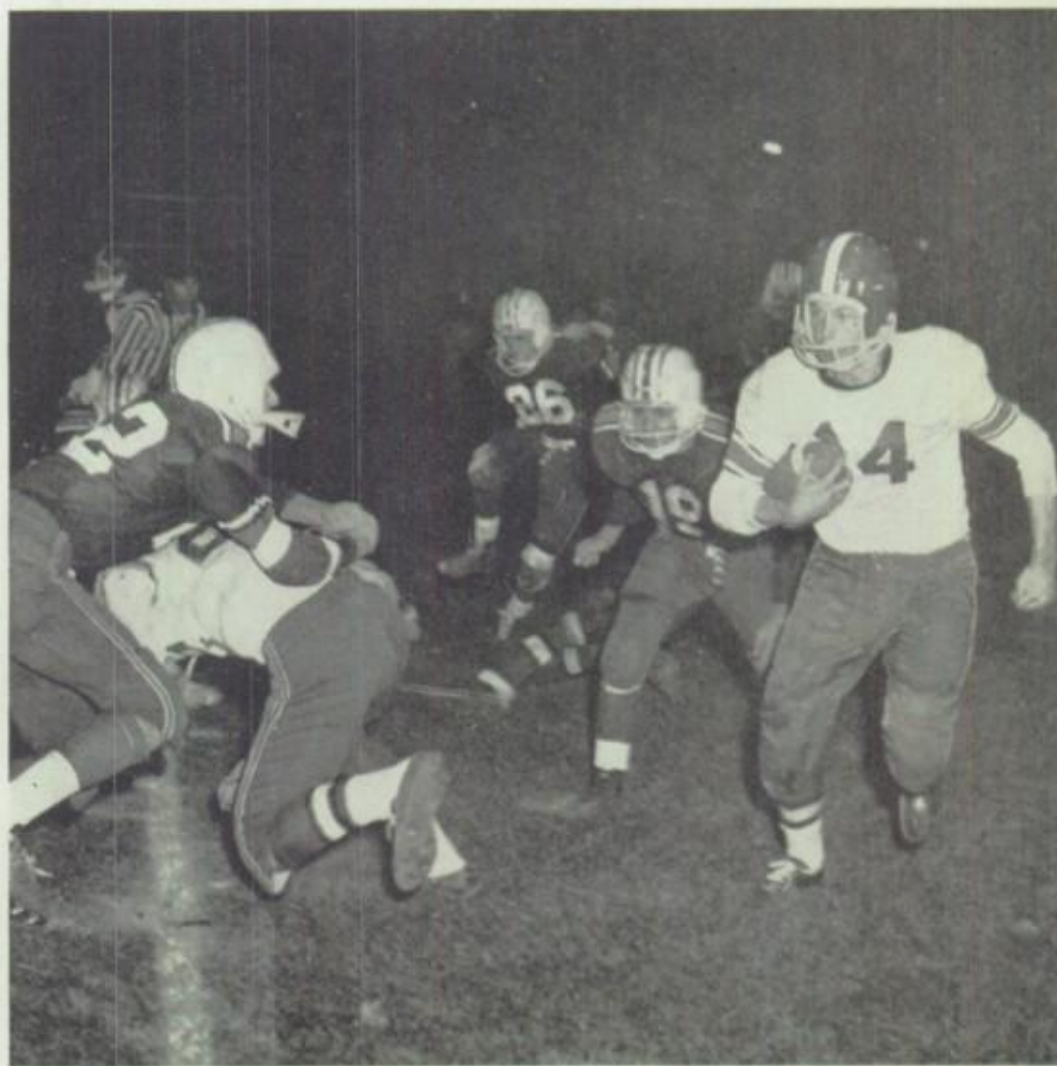

TOMCAT LINEMEN gang up on a lone Freeport back at homecoming time.

Traveling twice in a row to Rockford, the Cats first tied West's Warriors 7-7. Next they were beaten by the E-Rabs, 20-0. The Knights of Rockford Auburn forfeited their 27-0 victory. Coming back to life offensively, but not defensively, the Cats scored 18 points to host LaSalle Peru's 34.

In the last game of the season, the Cats played host to West High's Blackhawk's, for the two teams 70th meeting. Scoring once in the first and fourth quarters, to the Hawk's only tally in the third quarter, the Tomcat's got their second win of the season, 14-6.

At the close of the season, conference officials announced that Jeff Stone was elected to the All Big-Eight Squad. Reggie Hughes, Ted Nehls, Randy Feder, and Frank Scarpino were picked for Honorable Mention.

Ron Simmons was elected as next year's captain to succeed Joe Gerkin, this year's leader.

RANDY FEDER carries the ball around left end led by Tom Carson.

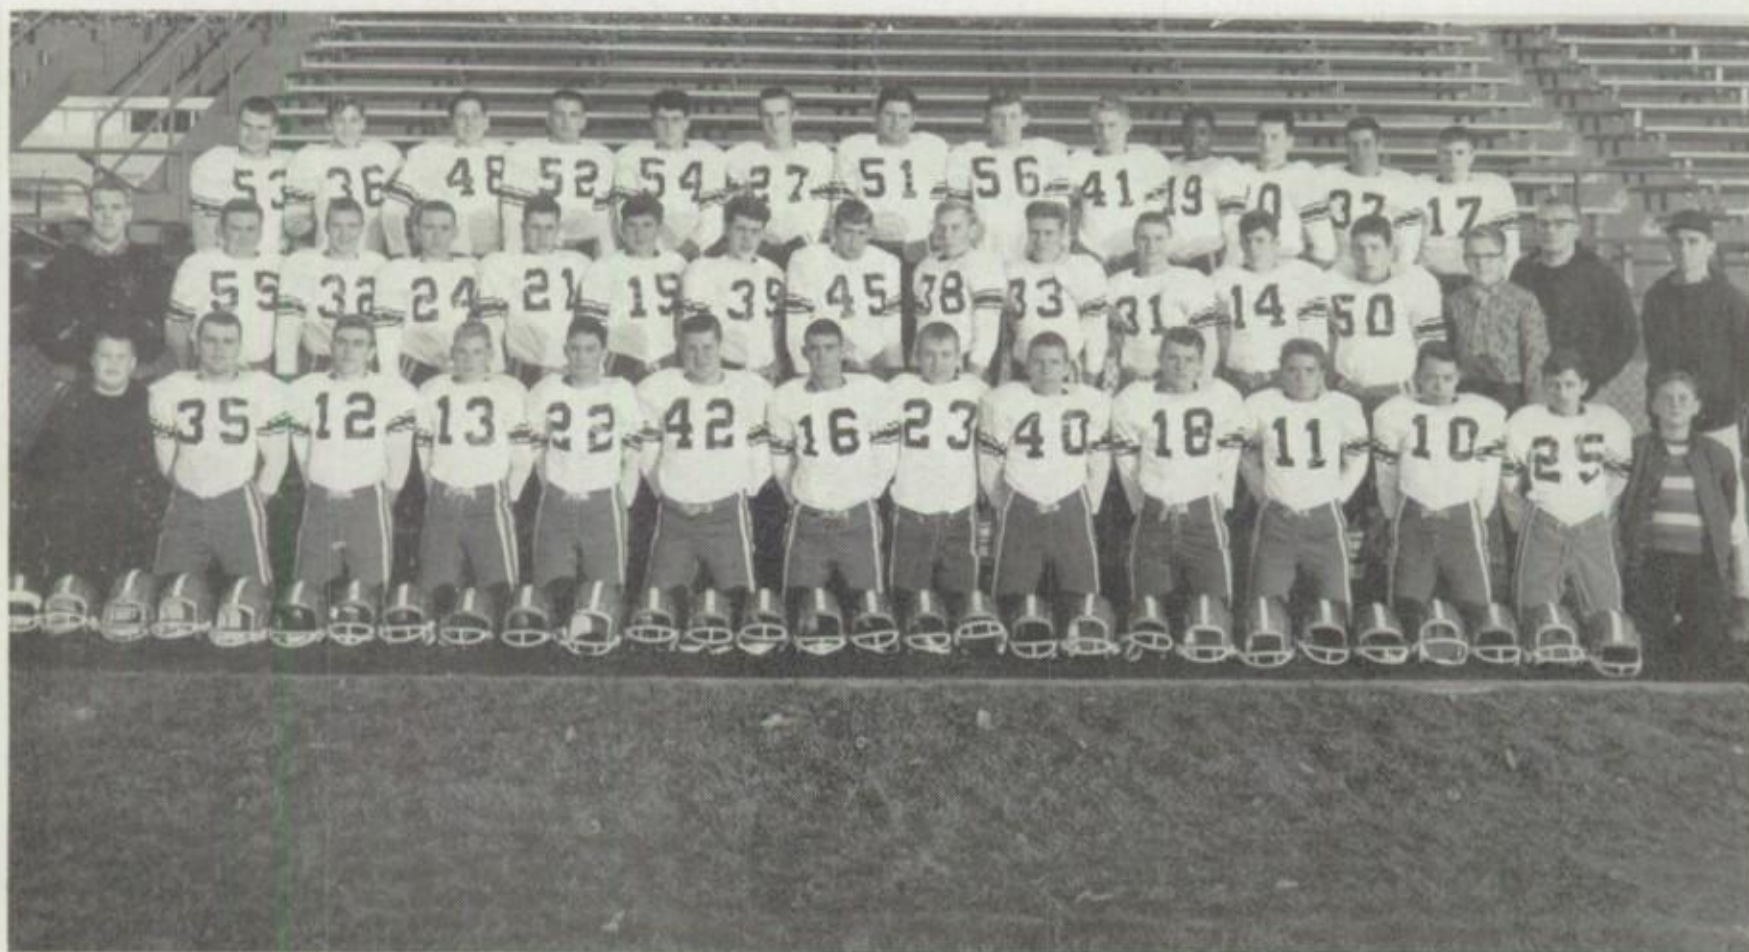

JOHN COX eludes a Freeport safety man, and catches a pass for a score.

GREG HOPKINS plunges through the center of the line for a gain.

## Season's totals are 7 wins, 1 loss, and 1 tie

Winning the Big-8 conference title for the first time under Coach Ray Haley, the Kitten grid squad posted a seven win, one loss, one tie record. Their conference record showed six wins and only one loss.

After kicking off their season with a 7-0 win over host Proviso East, the Sophs opened at home with a scoreless tie against Bloom. Traveling again, this time for the conference opener at Elgin, the yearlings sustained their only loss of the season, 20-12. The Kittens then bounced back before a Homecoming crowd to topple Freeport, 19-7. Back on the road again, the little Cats met and defeated both Rockford West and East. They topped the Warriors 21-0, and downed the E-Rabs

by a score of 19-14.

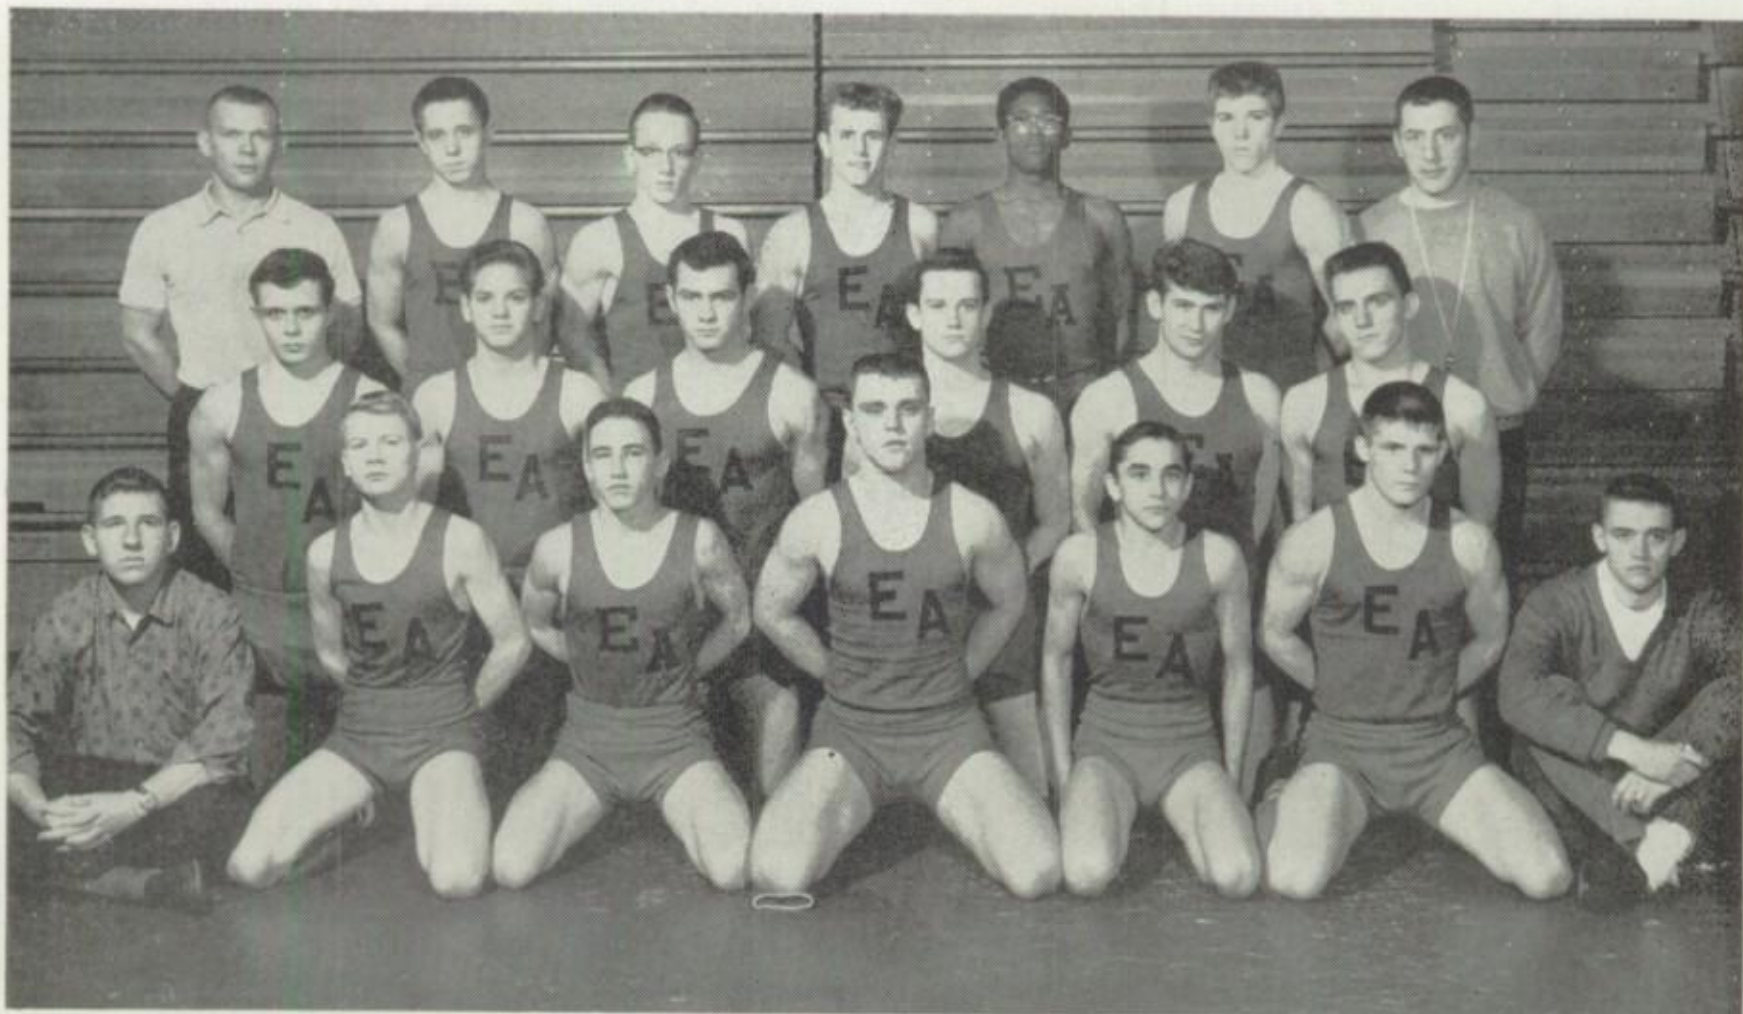

At home again, the Kittens set back their third Rockford school in a row, this one being Auburn, by a score of 19-0. The last away games of the season was at LaSalle-Peru where the Kittens exploded for four touchdowns and a 24-0 victory.

The final game of the season came against the visiting West High squad. The Kittens wrapped up the game 6-0. They barely edged Elgin for the conference title, the Maroons ending with a five win, one loss, one tie record.

Jack Rauscher and Dave Ray were elected as honorary team co-captains.

In a practice meet with West Aurora, East came out with 21 to 36 victory. The next two meets proved fatal as East Harriers lost to Morris 29 to 26, then to Naperville 20 to 41. The next meet was a triangular meet with St. Charles and Glenbard West. East tied St. Charles 60 to 15. The Cat runners closed the season with a 20-to-36 score in a rematch with Morris. Cross-Country is scored differently from most events in that the team with the lowest score is the winner.

East's top runner this year was Larry Eddington, who placed first in every meet except one. Eddington will be next year's captain succeeding Greg VanPelt, who headed this year's team.

East's swim team compiled an impressive dual meet record of 10 wins and only 2 losses. In their first meet under Coach William Gardner, the team lost. This was a triangular meet with Proviso West and Notre Dame. After a slow start, the tankers beat DeKalb, Morton West, Elgin, and Morton East before their second defeat, this from the state-ranked Bremen team. Again the East swimmers went on to win four meets, over Morton East, DeKalb, Morton West, and Lockport. The last loss was dealt to the Cats by Sandburg of Chicago. To round out the season, the team swam past Elgin and Lyons. In the big 8 Conference, meet, the tankers took 5th place. In the District meet Co-captain Ron Jennings was the only qualifier for state action.

IN THE AIR for a back dive is Co-captain R. Jennings.

DIVER B. STONER soars through the air in a forward layout dive.

Gratefully We Acknowledge

The Speculum staff of 1962 wishes to join with many of their predecessors to thank Mrs. Caroline Schick for the many years she has given to this publication. Mrs. Schick has given much time and effort, and through this effort she has deserved a special place in the history of the Speculum. Her reputation as an expert in the field of high school journalism has expanded far beyond the halls of East High. In her fourteen years as the advisor to this publication she has earned eleven All-American awards from the National High School Press Association. This is a proud record for her and for East High. As the Speculum celebrates its fiftieth anniversary, we must look backward to those who have labored to keep its standards high. We

also look toward the future and hope that this publication will continue in the tradition of those who made the first 50 years successful. The editors and staff of the 1962 *Speculum* would also like to thank Walinger Studios, who took our pictures; Aurora Engraving Company, who processed the photographic prints; S. K. Smith Company, who furnished our covers; and Kelmscott, who printed our book.
